

# Mansfield Fire Department GIS Analysis

## Population Distribution - Current

This map shows the population distribution by Census Block. The thematic symbology demonstrates a rather consistent distribution. The downtown area and industrial area in the north are sparsely populated. The large census block to the northeast of Station 6 with more than 300 persons represents the prison systems with a population of 2,358 persons.

**Total Population = 51,041**

**Total Population Served  
in 4 Minutes = 32,556**

**% of Population Covered = 64%**
